Managing Health Services Organizations and Systems,
Seventh Edition
By Kurt Darr, J.D., Sc.D., FACHE, and Michael Nowicki,
M.H.A., Ed.D., FACHE FHFA

Managing Health Services Organizations and Systems has served the educational and professional needs of the healthcare field over four decades. The seventh edition continues a legacy of presenting a comprehensive body of the knowledge and skills needed to effectively lead and manage health services delivery. Used in both graduate and undergraduate courses, this textbook is a vital resource for developing tomorrow's health service administrators and managers.

Ethics in Health Services Management, Sixth Edition
By Kurt Darr, J.D., Sc.D., FACHE

Teach the principles and practices in moral leadership in health services management with the practical, problem-solving strategies presented in this text. More than 75 case studies and vignettes allow opportunities to analyze and apply ethical decision making across a wide range of care delivery settings and topics, including patient autonomy, end-of-life decisions, consent for treatment, resource allocation, whistleblowing, confidentiality, and more.
